ENROLMENT AT A. AND M.

Registration Reaches 580, Highest in History of College.

[Special to The Times-Dispatch.]

Raieigh, N. C., January 23.—The onrolment of the North Carolina College of Agriculture and Mechanic Arts has now reached 520, eighty new students having been registered since the new year. This record-breaking registration has been made possible by the completion of the new dormitory. Another gratifying feature of the onrolment for this year is that there is a gain of 51 per cent. In the number of agricultural students.

There are forty-three young farmers at the college for the six weeks' short winter course in agriculture, this having been in progress for two weeks. In addition to agriculture these students have taken lectures for two weeks on road-building. The first week E. L. Spoon, State engineer for the geological survey, lectured on this subject, and this past week D. H. Windslow, of the United States Bureau of Good Roads, gave a course of lectures.

Examers Pleased With Prices, [Special to the Times-Dispatch.] Chase City, Va., January 29.—This tobacco has been a steady increase since lits opening on January 4. Quantities and prices are larger than they were before the holidays. The farmers are much pleased with the results of their selling on this market. It is estimated that more than 2,00,000 pounds will be marketed. Some tobacco has sold as high as \$45, and much averages as high as \$20.
